## The selfdriven Foundation

The foundation is a collective of people passionate about the value of education and its capacity to create a least-harmful society.

The foundation structure is layered:

| Layer | Team Member Type | Members | Tokenomics<br>Total supply: 100,000 SDF tokens. |
|---|---|---|---|
| 1 | Founding | 1 (Originator) + 5 | Pre-allocated to originator (Mark Byers) for effort to 30JUN2023: 48,000.<br><br>Allocated to team a member signing this agreement and becoming a founding member: 8,400 SDF tokens. |
| 2 | Advisory | 8 | Allocated to team a member signing this agreement and becoming an advisory member: 1250 SDF tokens. |
| 3 | Community | - | Community activity; 60,000 SDF tokens in total.<br><br>Team members can earn additional SDF tokens for effort above the effort obligations as per their role outlined in this agreement.<br><br>SDF tokens are earned at 50 tokens per hour of verified effort - with a maximum of 6,000 SDF tokens. |

**With the following team member obligations:**

| Team Member Type | Obligations |
|---|---|
| Founding | • 8 hours per month to complete foundation based work as per role description within this agreement.<br><br>• Team member details will be displayed on the teams page at [slfdrvn.io/team](slfdrvn.io/team). |
| Advisory | • 16 hours per year to comment on direction, including 4 hours for the annual direction planning session.<br><br>• Team member details will be displayed on the teams page at [slfdrvn.io/team](slfdrvn.io/team). |

**The foundation:**

- Is managed by the Founding Members, with advice from Advisory Members.

- Uses the Cardano blockchain to record team member value of commitment and effort as SDF tokens.

- Uses allocation of SDF tokens:

  - Voting on decisions; based on % allocation of total; 75% required to carry vote.

  - Disbursement of earned funds as a percentage of cloud services subscription margin.  i.e. $10,000 x (6000/200000) = $300

- Acts as custodians of the *Supported Self-Driven Learning Framework*

- Acts as the advisory board for:

  - Decisions relating to the cloud service

  - Strategic direction
